Dr. Vincent Troia, CEO
Ohio River Trails Council
1100 Pennsylvania Avenue
Monaca, PA 15061

Dear Dr. Troia:

Please consider this letter as evidence of my support for the Ohio River Trails Council (ORTC) and its efforts to provide recreation opportunities, heritage development, environmental stewardship, safe transportation networks and economic stimulus to our community. Specifically, Coraopolis Borough, which is part of the 42nd Senatorial District, is one of the communities of the ORTC.

The ORTC proposes and has taken significant steps toward a multi-use trail from Coraopolis, PA to the state line with Ohio that would connect to the many other trails in our region. The trail will improve quality of life by providing fitness and recreation opportunities for residents and visitors whether they bicycle, walk, hike, jog, run, roller blade, fish, bird or butterfly watch, cross-country ski, horseback ride, canoe, kayak or enjoy boating. The completed trail will also serve as an important alternate transportation corridor between communities that will reduce congestion and pollution. Perhaps most importantly, the trail will ensure access to all, including persons who are physically challenged.

Thank you for the excellent work you are doing for our community. I appreciate all of the efforts that are underway to make this corridor a reality and look forward to working with you in the future.

Sincerely,

A handwritten signature in black ink that reads "Wayne D. Fontana".
