CONNECT with the vendors and agencies whose products and services help keep your township going strong.

Best educational opportunity anywhere for township officials

If you want to learn all you can about township government and how to better carry out your many responsibilities as a township official, there is no better opportunity than the Annual Educational Conference of the Pennsylvania State Association of Township Supervisors.

Largest municipal exhibit show in the state

By attending the PSATS Annual Educational Conference and Trade Show, you will have access to the largest municipal exhibit show of its kind in Pennsylvania. Almost 300 vendors and agencies will be on hand to meet with you and talk about their products and services.

Who may attend

- Township supervisors, secretaries, treasurers, managers, roadmasters, public works employees, solicitors, engineers, and planners
- Other township employees
- Spouses and guests

Authority to attend

Section 1402(d) of the Township Code authorizes the board of supervisors to designate one or more of the following elected or appointed officials to attend the annual conference as a delegate: the supervisors, the township secretary, the township treasurer, and/or the township manager.

Each township that has paid State Association dues must appoint one of these delegates to be a voting delegate at the state conference. The township secretary is the official person to certify the voting delegate from your township.

Also, Section 607(4) of the Township Code authorizes the board of supervisors to send any other township employee, including township solicitors and engineers, or other elected or appointed officials, such as planning commission members, to the conference.

How to register

All delegates and their guests must register using the enclosed form or online at www.psats.org. Please fill out the form completely and return it, along with your check or other payment information, to the Association. After processing your registration, PSATS will send you a confirmation notice.

When you arrive at the Hershey Lodge, please go directly to the PSATS conference registration area in the Chocolate Lobby. There you will receive your conference materials and badge, which will admit you to all conference activities.

Solicitor, engineer, and planner seminars

The Association will sponsor seminars specifically for township solicitors, engineers, and planners on Monday and Tuesday, April 19 and 20. They will receive more detailed information on the seminar topics and how to register.

Wage and expense reimbursement

Section 1402(g)(2) of the Township Code authorizes townships to compensate township employees, including supervisors who are employed by the township (*either full- or part-time*), at their regular hourly rate while attending the annual conference.

Section 1402(g)(3) allows townships to compensate supervisors who are not employed by the township with full or partial reimbursement for lost wages while attending the annual conference. The board of supervisors has the discretion to authorize this reimbursement but must establish a policy.

Section 1402(g)(1) of the Township Code authorizes all delegates to be reimbursed for:

- the conference registration fee;
- mileage for the use of a personal vehicle or actual transportation expenses for traveling to and from the conference; and
- all other actual expenses that the township board of supervisors may have agreed to pay.

Every delegate must submit to the board an **itemized account of expenses** incurred at the conference. The board may also authorize township employees to be compensated at their regular employee rate during their attendance at the annual conference.

No delegate may receive expense reimbursement for more than four days, including the time and mileage for traveling to and from the conference.

Guests are not authorized to receive reimbursement for any expenses.

Making room reservations

All room reservations for the conference must be made through the Association using the enclosed registration form (*Section II*) or by registering online at www.psats.org. All rooms will be assigned by lottery. (*See the box below for details.*)

The names of all room occupant(s) must be listed on the registration form, and all fees must accompany the form.

HERSHEY LODGE AND HOTEL HERSHEY RESERVATION POLICIES:

Preference for rooms at the Hershey Lodge and the Hotel Hershey will be given to those staying from April 18 to April 21, although assignments for these hotels will still be made through the hotel room lottery.

PSATS will notify you by mail in early March if you are assigned

a room at the Hotel Hershey or the Hershey Lodge. To guarantee your reservation, you will need to provide credit card information to the facility within 10 days of the postmark on the PSATS notification letter. PSATS cannot forward credit card information that it received for room deposits.

After the lottery is run, no changes in the arrival or departure dates for these facilities will be accepted.

Upon check-in, the Hershey Lodge and the Hotel Hershey will charge all reserved room nights upfront. Early departures will be billed for the full charge of the guaranteed reservation.

No-shows will be charged for the cost of the full reservation and will be ineligible for housing at either Hershey property for the next three years.

DEPOSIT REQUIRED: To ensure prompt processing of your reservation requests, you must include a \$100 deposit for each room reserved.

CANCELLATION POLICIES: Conference registration cancellations received through **March 19**

will be assessed an administrative fee of \$50 for delegates and \$25 for guests. No refunds will be made for conference registration cancellations received after **March 19**.

Hotel room cancellations received after March 19 and through April 13 will forfeit the room deposit if the room is not resold. The full room deposit will be refunded provided PSATS is able to resell the room.

No refunds on any registrations, room deposits, meals, or events will be given for any cancellation after April 13.

WHEELCHAIR-ACCESSIBLE ROOMS:

A limited number of wheelchair-accessible rooms are available at the Hershey Lodge and other hotels. Please indicate your need for such facilities in Section II of the conference registration form and include a "PSATS Disability Lodging Request" form. Anyone requiring this special consideration may be assigned to a different facility than other delegates from the same township.

WHERE TO SEND FORM AND PAYMENT:

Please send your completed forms and a check or other payment information for all conference fees and hotel deposits to: **PSATS, 4855 Woodland Drive, Enola, PA 17025-1291.**

Reserving county association suites

The Hershey Lodge has a limited number of rooms available for county association hospitality suites. Details of how to secure a room have been sent in a letter to each county association secretary and president.

All delegate and guest registration fees must be paid for the reservations to be considered complete and processed.

HOW DOES THE HOTEL ROOM LOTTERY WORK?

To accommodate the lodging needs of everyone attending the conference, room assignments are made through a lottery process.

LOTTERY DEADLINE: All room reservation forms that are received by **January 22, 2010, and are accompanied by a \$100 deposit for each room requested** will be included in the lottery. For reservation forms received after the lottery deadline, PSATS will assign rooms based on their availability.

Please indicate in Section II of the registration form if delegates from two or more townships will be carpooling, and every effort will be made to assign rooms at the same hotel.

LOTTERY PROCESS: Each room request is entered into a database, and a card is printed for those eligible for the room lottery. The cards are placed in a container, shuffled to ensure randomness, and then pulled one by one. Room assignments are made based on registrants' choices, in the order they indicated on their registration form, as long as space is available at those hotels.

Registrants who do not provide enough hotel choices and have chosen hotels that are full are put aside until all other requests are processed. PSATS then notifies these registrants by mail that they must make additional hotel selections. **Therefore, it is in your best interest to select 10 hotels on your registration form.**

ROOM CONFIRMATIONS: PSATS will mail a postcard to you by March 10 to inform you of your hotel assignment. The hotel will mail a confirmation by March 12 with a confirmed room rate.

Large selection of educational sessions.
