Ohio River Trail Feasibility Study – Public Meeting and Open House

The Beaver County Planning Commission in partnership with The City of Aliquippa, Center Township, Hopewell Township, Monaca Borough, South Heights Borough, Coraopolis Borough, Crescent Township, Moon Township and Allegheny County is undertaking a feasibility study to create a bicycle and pedestrian trail along the southern side of the Ohio River. The proposed trail will connect with the existing Montour Trail on its eastern end and travel through the eight communities and cross the Ohio River via the Monaca-Rochester Bridge. The project is funded through a Community Conservation Partnership Program planning grant provided by the Commonwealth of Pennsylvania Department of Conservation and Natural Resources (DCNR), the Ohio River Trail Council (ORTC) and local community support.

The second of several public community-wide meetings and open houses will be held on Wednesday April 14th from 6:00 PM to 8:00 PM at the Moon Township Municipal Building, 1000 Beaver Grade Road, Moon Township, PA 15108. The open house will provide the community with the opportunity to learn about the overall trail planning effort see various routing alternatives and provide input into the trail's concept development.

Everyone in the community is encouraged to attend. If you cannot attend but would like more information please visit the ORTC website at www.ohiorivertrail.org or contact the Beaver County Planning Commission at 724-770-4428.
