### 3 Rivers/Pennsylvania West CFC 2010 Application Overview for Local Federations

Enclosed is the application for participation by local federations in the 3 Rivers/PA West CFC Region. A federation is a group of voluntary charitable human health and welfare organizations created to supply common fundraising, administrative, and management services to its constituent members. **A federation must have at least 15 member organizations, in addition to itself,** that individually meet all of the CFC eligibility criteria. If your organization does not have 15 member organizations that meet the CFC eligibility criteria, it must apply as an independent organization using the independent organization application.

The following instructions and forms are intended to assist federations in applying for participation in the CFC. All aspects of the CFC, including eligibility for participation, are strictly governed by Federal regulation. Copies of current CFC regulations are available at the OPM website at [www.opm.gov/cfc](http://www.opm.gov/cfc).

You may download additional copies of the 3 Rivers/PA West CFC local federation application packet from our website at [www.3riverscfc.org](http://www.3riverscfc.org). OPM suggests that local federations use the local application provided when applying to the Combined Federal Campaign (CFC). However, OPM also provides a "model" application for participation by local federations in the Combined Federal Campaign located on the OPM website at [www.opm.gov/cfc](http://www.opm.gov/cfc).

**By applying for inclusion in the CFC, federations consent to allow the LFCC and Director complete access to it and its members' CFC books and records and to respond to requests for information by the LFCC and the Director.**

**All applicant federations and their members are subject to verification that they are active, tax-exempt 501 (c) (3) charities recognized by the IRS upon submission of the application.**

**Each Local Federal Coordinating Committee (LFCC) determines the application deadline for charitable organizations and federations seeking local eligibility. The application period for the 3 Rivers/PA West CFC Region is: February 22 – April 2, 2010. All required documents and attachments must be complete and submitted before the application deadline, April 2, 2010. Applicants whose applications do not contain documents or who submit in-complete or out-of-date documents will not be permitted to correct their applications during the appeals process.** Federations that apply for local eligibility and are found ineligible will have an opportunity to appeal to the Local Federal Coordinating Committee (LFCC) for reconsideration. If found ineligible on appeal by the LFCC, the federation may appeal the LFCC's decision to the Director of the Office of Personnel Management (OPM). The Director's decision is final for administrative purposes. Appellants should insure that their appeals are complete and responsive to the actual reasons for the LFCC denial decision.

In order to determine whether a federation may participate in the campaign, the LFCC may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The LFCC will decide whether the federation has demonstrated, to the LFCC's satisfaction, that the federation has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the LFCC's request for information within 10 business days of the date of the request may result in a recommendation that OPM withdraw federation status. The Director's decision will be communicated in writing to the federation.

Federations that apply for local eligibility and are found ineligible have **only one** opportunity to appeal to the LFCC. If found ineligible on appeal by the LFCC, the organization will have **only one** opportunity to appeal to the Director of OPM. The Director's decision is final for administrative purposes. Appellants should insure that their appeals are complete and responsive to the actual reasons for the LFCC denial decision.

**The CFC will not accept applications with modifications to any of the certification statements.**

The CFC regulations, at 5 CFR §950.604, require that federations retain documents pertinent to the campaign for at least three completed campaign years. Documents requested by OPM must be made available within 10 business days of request.

**Federations need only fill out one application. Should the federation not be found eligible as a federation, the LFCC will evaluate the federation application as an independent application for inclusion in the campaign.**

**(NO FAXES OR ELECTRONIC SUBMISSIONS OF APPLICATIONS ACCEPTED)**

### Item 3

Self Explanatory

### Item 4

**Check the appropriate box. The federation's certifying official must certify the federation accounts for its funds on an accrual basis in accordance with Generally Accepted Accounting Principles (GAAP) and has an audit of its fiscal operations completed by an independent certified public accountant in accordance with Generally Accepted Auditing Standards (GAAS).** No other basis of accounting is acceptable under Generally Accepted Accounting Principles (GAAP). The cash basis, modified cash basis, and modified accrual basis are not acceptable methods of accounting under GAAP.

**Include as Attachment C a copy of the auditor's report and the federation's complete audited annual financial statements.** The audited financial statements must cover the fiscal period ending not more than 18 months prior to the January of the campaign year to which the federation is applying (i.e. ending on or after June 30, 2008). **The audited financial statements must verify the federation is honoring designations made to each member organization by distributing a proportionate share of receipts based on donor designations to each member.**

The audited financial statements must include all statements and audit notes as required by GAAP. The Independent Auditor's Report must include the signature of the auditor or the auditing firm.

Newly created federations operating for less than one year (as determined from the date of the IRS determination letter to the closing date of the CFC application period) are not required to submit audited financial statements.

### Item 5

Check the appropriate box. **Include as Attachment D a copy of the complete, signed IRS Form 990 for a period ended not more than 18 months prior to January 2010.** The IRS Form 990 must include a signature in the block marked "Signature of officer"; the preparer's signature alone is not sufficient. Organizations that file the IRS Form 990 electronically may submit a signed copy of the IRS Form 8879-EO or IRS Form 8453-EO in lieu of a signature on the IRS Form 990.

A complete IRS Form 990 is required including all supplemental statements and Schedule A, if applicable, for the applicant federation to be eligible for the CFC. If the IRS does not require the federation to file a Form 990 it must complete and submit a pro forma IRS Form 990 (see instructions below). IRS Forms 990EZ, 990PF, and comparable forms will not be accepted. However, smaller federations that file Form 990EZ may submit it with the appropriate pro forma pages as described below depending on whether or not it is a 2007 or 2008 IRS Form 990 attached in lieu of a complete IRS Form 990.

**Pro forma IRS Form 990 Instructions** – The IRS Form 990 can be downloaded from the IRS website ([www.irs.gov](http://www.irs.gov)). If the fiscal period ended before December 31, 2008, the applicant must use the 2007 IRS Form 990 and complete page 1 and Part V for CFC purposes.

If the fiscal period ended on or after December 31, 2008, the applicant must use the 2008 IRS Form 990 (or more recent year, if available). The following sections must be completed: page 1 (Part I, Summary and Part II, Signature Block), page 7 and 8 (Part VII, Compensation sections A and B); page 9 (Part VIII, Statement of Revenues), page 10 (Part IX, Statement of Functional Expenses), and page 11 (Part XI, Financial Statements and Report).

The IRS Form 990 and audited financial statements must be prepared using the accrual method of accounting and cover the same fiscal period ended not more than 18 months prior to January 2010 (i.e. ended on or after June 30, 2008).

#### Item 6

**Calculate and enter the federation's annual percentage for administrative and fundraising expenses.** This percentage is computed from the IRS Form 990 submitted with this application. **Depending on which year's IRS Form 990 is submitted, the percentage will be calculated based on information contained on the:**

(A) **2007** IRS Form 990 by adding the amount spent on "management and general" (line 14) to "fundraising" (line 15) and dividing the resulting total by "total revenue" (line 12);

**Or**

(B) **2008 (or more recent)** IRS Form 990 by adding the amount in Part IX (Statement of Functional Expenses), Line 25, Column C (Management and General Expenses) to the amount in Line 25, Column D (Fundraising Expenses), and dividing the sum by Part VIII (Statement of Revenue), Line 12, Column A (Total Revenue). No other methods may be used to calculate this percentage. All percentages must be listed to the tenth of a percent (e.g. 15.7%).

#### Item 7

**Each federation must include as *Attachment E* a complete listing of the federation's board of directors and the beginning and end dates of each individual's current term of office (e.g. John Smith, 2006-2009). *Attachment E* must also list the board's meeting dates and locations for the previous year (2009).**

|         |                  |
|---------|------------------|
| Item 8  | Self-explanatory |
| Item 9  | Self-explanatory |
| Item 10 | Self-explanatory |
| Item 11 | Self-explanatory |

#### Item 12

**Include as *Attachment F* a copy of the federation's most recently completed annual report.** The annual report must cover the fiscal year ending not more than 18 months prior to January of the campaign year to which the federation is applying or the preceding calendar year. A more frequently published document, such as a quarterly newsletter, may be substituted so long as it meets the requirements for the annual report.

The annual report or more frequently published document must contain a full description of the federation's activities and supporting services during the year covered by the report and identify its directors and chief administrative personnel.

The annual report or more frequently published document must also include an accurate description of the federation's membership dues and/or service charges received by the federation from the charitable organizations participating as members. The information must clearly present the amounts raised, the sources of contributions, the cost of fundraising, and how costs are recovered from donations.

Reproductions of annual reports that are available on a federation's website are acceptable. The annual report must be clearly marked as such on the website and must include all of the criteria outlined in the CFC regulations (see above). OPM will not accept miscellaneous pages from the federation's website that provide this information in lieu of an annual report document. A printed copy of the report must be included in the CFC application.

#### Item 13

Each federation and independent organization applying to participate in the CFC must, as a condition of participation, certify that it is in compliance with all statutes, Executive Orders, and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries, entities, and individuals subject to economic sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC). The programs administered by OFAC restrict or prohibit U.S. persons from engaging in transactions and dealings with targeted countries, entities, and individuals. OFAC publishes a list of Specially Designated Nationals and Blocked Persons (SDN List). The persons on the SDN List are subject to economic sanctions. The SDN List and additional information relating to the economic sanctions programs that OFAC administers are available at <http://www.treas.gov/ofac>. A link to the SDN List is available on the CFC website ([www.opm.gov/cfc](http://www.opm.gov/cfc)). For further information, please see CFC Memo 2005-13.

**Local CFC applications must be sent to the local campaign office. Do not send applications to the Office of Personnel Management. Note that each campaign area sets its own application deadline. For more information on the local application deadlines and addresses, please contact the Principal Combined Fund Organization (PCFO) representative in your area. Contact information can be found at [www.opm.gov/cfc/Search/Locator.asp](http://www.opm.gov/cfc/Search/Locator.asp).**

# Combined Federal Campaign

Application Overview for  
Year 2010 Combined Federal Campaign (CFC)  
Local Agency

**(NO FAXES OR ELECTRONIC SUBMISSIONS OF APPLICATIONS ACCEPTED)**

## **General Guidance**

Enclosed is the application for participation by local independent organizations in the 3 Rivers/Pennsylvania West CFC. The following instructions and forms are intended to assist charitable agencies applying for participation in the CFC. All aspects of the CFC, including eligibility for participation, are strictly governed by Federal regulation. Copies of current CFC regulations are available on our website at [www.3riverscfc.org](http://www.3riverscfc.org). Additionally, the regulations are available in Adobe Acrobat PDF and Word on the OPM website at [www.opm.gov/cfc](http://www.opm.gov/cfc).

You may download additional copies of the 3 Rivers/PA West CFC local application from our website at [www.3riverscfc.org](http://www.3riverscfc.org). OPM suggests that charitable organizations use the local application provided when applying to the Combined Federal Campaign (CFC). However, OPM also provides a "model" application for participation by local independent organizations in the Combined Federal Campaign located on the OPM website at [www.opm.gov/cfc](http://www.opm.gov/cfc). **The CFC will not accept applications with modifications to any of the certification statements.**

**By applying for inclusion in the CFC, charities consent to allow the Local Federal Coordinating Committee (LFCC) and OPM Director complete access to its books and records and to respond to requests for information by the LFCC and the Director.**

**All applicant charities are subject to verification that they are active, tax-exempt 501 (c) (3) charities recognized by the IRS upon submission of the application.**

***Applicants whose applications do not contain documents or who submit in-complete or out-of-date documents will not be permitted to correct their applications during the appeals process.***

All organizations that apply for local eligibility and are found ineligible have an opportunity to appeal to the Local Federal Coordinating Committee (LFCC) for reconsideration. If found ineligible on appeal by the LFCC, the organization may appeal the LFCC's decision to the Director of OPM. The Director's decision is final for administrative purposes. Appellants should insure that their appeals are complete and responsive to the actual reasons for the LFCC denial decision. All federation member appeals should be submitted through the federation.

In order to determine whether an organization may participate in the campaign, the LFCC may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. The LFCC will decide whether the organization has demonstrated, to the LFCC's satisfaction, that the organization has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to the LFCC's request for information within 10 business days of the date of the request may result in a recommendation to OPM that the organization will not be included in the Charity List. The Director's decision will be communicated in writing to the organization.

**Only independent organizations will be contacted directly by the LFCC. If you apply as a member of a federation, DO NOT send the LFCC an independent application. If dual applications are found, the independent application will not be considered.**

**FAXES OR ELECTRONIC SUBMISSIONS OF APPLICATIONS ARE NOT ACCEPTED**

## APPLICATION INSTRUCTIONS

For details regarding CFC eligibility requirements for federation members, refer to CFC Guidance Memoranda on the CFC website at [www.opm.gov/cfc](http://www.opm.gov/cfc).

Applicants must check the box next to each certification statement to demonstrate agreement to comply with the statement and to certify that it meets the requirement. **Failure to provide a check mark for each of the statements will be considered a refusal to certify and will result in the denial of the application.**

Item 1 **Provide the hours and days per week of operation (a minimum of 15 hours per week is required) and the county and state where the applicant organization's office is located.**

Check the one appropriate box and sign. **Include as Attachment A supporting statements and/or documentation demonstrating to the satisfaction of the LFCC that the organization has a substantial local presence in the geographical area covered by the local campaign, a substantial local presence in the geographical area covered by an adjacent local campaign, or substantial statewide presence. Attachment A must also include a description of the actual services, benefits, assistance, or program activities provided by the organization in calendar year 2009 and how those programs, services, benefits, etc. affect human health and welfare of the target population. (see Certification #4)**

(i) Substantial local presence is defined as a staffed facility, office or portion of a residence dedicated exclusively to that organization, available to members of the public seeking its services or benefits. The facility must be open at least 15 hours a week and have a telephone dedicated exclusively to the organization. The office may be staffed by volunteers. Substantial local presence cannot be met on the basis of services provided solely through an "800" telephone number, the internet, the U.S. Postal Service or a combination thereof.

(ii) An adjacent local campaign is defined as a local campaign whose geographic border touches the geographic border of another local campaign. Participation in a local campaign via an adjacency determination does not grant the organization a substantial local presence in the adjacent local campaign and participating via adjacency cannot be used to establish adjacency to local campaigns bordering the adjacent campaign area.

(iii) Substantial statewide presence is defined as providing or conducting real services, benefits, assistance or program activities covering 30 percent of a state's geographic boundaries or providing or conducting real services, benefits, assistance or program activities affecting 30 percent of a state's population. Substantial statewide presence cannot be met on the basis of services provided solely through an "800" telephone number, the internet, the U.S. Postal Service or a combination thereof.

**If applying for statewide eligibility, make sure to make available to the LFCC proof of statewide coverage.** Federations applying for statewide eligibility must provide either a detailed description of the services and activities they provide to 30 percent of their target population in a given state OR a detailed description of those activities covering 30 percent of the state's geographical boundaries, either directly or indirectly through their member organizations.

CFC regulation 5 CFR §950.204(b)(1)(iii) requires an organization certifying statewide presence to demonstrate that it provided or conducted real services, benefits, assistance, or program activities covering 30% of a state's geographic boundaries or affecting 30% of the targeted population in the state. Common errors in establishing statewide presence include lack of description of the actual services, failure to define the target population, failure to show the geographic area where actual services have been provided or failure to fully demonstrate that the population served or the geographic area equals 30% or more of the target population or geographic area. Total population statistics by county or claims that services are available to individuals in these counties are generally not adequate evidence of service.

In the case of the 30% geographic area test, applicant organizations must make available service records or other evidence (i.e. visitor statistics, client or membership statistics, project results or clearly outlined maps) that clearly show what portion of the geographic area has been covered relative to the total state geographic area.

In the case of the 30% population test, if an organization services special populations ( i.e. persons with HIV or AIDS, adults requiring literacy instruction, non-English speaking children, etc.) the organization should provide evidence that it affects 30% of the eligible or target population. This can be shown by providing an estimate (through population surveys,

needs assessment studies, etc.) of the total target population eligible to receive the services together with a demonstration that its services affect 30% of that target population. It is helpful if the applicant demonstrates that it has met the 30% rule by providing a calculation along with its Attachment A, such as:

|                                   |    |                                              |
|-----------------------------------|----|----------------------------------------------|
| Population Served = 30,000 people | OR | Target Population = 100,000 people           |
| Counties Served = 30              |    | Percentage of Target Population Served = 30% |
| Total Counties in State = 100     |    | Percentage of Counties Served = 30%          |

Whichever eligibility criteria the applicant organization chooses, the burden of proving the criteria is on the applicant organization.

To determine statewide presence, a detailed description of the programs, services, benefits, etc. provided by the federation or its member organizations and how those programs, services, benefits, etc. affect the health and/or welfare of the target population should be accessible to the LFCC for verification of statewide presence.

- Specify the recipient(s) of the service, benefit, assistance, or program activity (WHO)
- Describe the type of activities provided or conducted (WHAT)
- Describe how the services were provided or conducted (HOW)
- Provide dates of services within the 3 year period immediately prior to the application year (WHEN)
  - \*applies specifically to national/international organizations
- **DON'T** - Generalize the nature of the activity; List activities that were "offered"

Item 2 **Sign and include as Attachment B the most recent IRS determination letter.**

If the name of the applicant organization differs on the IRS determination letter, the IRS Form 990, or audited financial statements, documentation from the IRS or state government authorizing this name change must accompany the application.

Interim IRS 501(c)(3) letters with expiration dates before December 31 of the year preceding the campaign year for which the organization is applying will be accepted only with proof of application to the IRS for permanent 501(c)(3) status.

Organizations that are part of an **IRS group exemption** must provide a copy of the IRS letter granting the group exemption, as well as the list of subordinates that are covered by the group exemption. If the subordinate's EIN is different from the EIN on the group exemption letter, EIN documentation from the IRS must be provided.

**Bona-fide chapters or affiliates of a national organization** that do not have an IRS determination letter for the local organization must provide a certification signed by either the Chief Executive Officer (CEO) or CEO equivalent of the national organization stating that the local charitable organization operates as a bona-fide chapter or affiliate in good standing of the national organization and it is covered by the national organization's 501(c)(3) tax-exemption. A copy of the national organization's 501(c)(3) letter must accompany the CEO's certification.

Units of government are not eligible to participate in the CFC.

**Each applicant's 501(c)(3) status will be verified with the IRS. Applicants whose current 501(c)(3) status cannot be confirmed by the IRS will be denied participation. OPM encourages organizations to request current letters from the IRS confirming the group's tax-exempt status. This request can be made by contacting the IRS at (877) 829-5500.**

Item 3 **Check the one appropriate box and sign.**

Listing of a national organization, as well as its local affiliate organization, is permitted. Each national or local organization must individually meet all of the eligibility criteria and submit independent documentation as required in 5 C.F.R. §950.202, §950.203 or §950.204 to be included in the Charity List, except that a local affiliate of a national organization that is not separately incorporated, in lieu of its own 26 USC 501(c)(3) tax exemption letter and, to the extent required by §950.204(b)(2)(ii), audited financial statements, may submit the national organization's 26 USC 501(c)(3) tax exemption letter and audited financial statements, but must provide its own pro forma IRS Form 990, page 1 and Part V only, for CFC purposes. The local organization

must submit a certification from the Chief Executive Officer (CEO) or CEO equivalent of the national organization stating that it operates as a bona-fide chapter or affiliate in good standing of the national organization and is covered by the national organization's 26 USC 501(c)(3) tax exemption, IRS Form 990 and audited financial statements.

A national organization may waive its listing in the National/International or International parts of the Charity List in favor of its local affiliate by following the procedures set forth in 5 C.F.R. §950.201(c).

Item 4 **Self-explanatory – Signature Required**

Human health and welfare services provided in **calendar year 2009** must be reflected in **Attachment A**.

Item 5 **Check the appropriate box and sign.**

- **Organizations with \$250,000 or more in annual revenue, as reported on the IRS Form 990, are required to submit an annual audit of fiscal operations by an independent certified public accountant in accordance with Generally Accepted Auditing Standards (GAAS).** The audited financial statements and IRS Form 990 must be prepared using the accrual method of accounting and cover the same fiscal period that ended not more than 18 months prior to January 2010 (i.e. ending on or after June 30, 2008). **Include as Attachment C a copy of the organization's audited annual financial statements.** The organization must certify that it accounts for its funds in accordance with Generally Accepted Accounting Principles (GAAP) and has an audit of its fiscal operations completed annually by an independent certified public accountant in accordance with GAAS. Note that GAAP requires the use of the accrual method of accounting. No other basis of accounting is acceptable under GAAP. The cash basis, modified cash basis, modified accrual, and any other methods are not acceptable.

OR

- **Organizations with total revenue of at least \$100,000 but less than \$250,000: the certifying official must certify that the organization accounts for its funds in accordance with GAAP and has an audit of its fiscal operations completed annually by an independent certified public accountant in accordance with GAAS.** The organization is not required to submit a copy of the audited financial statements with the CFC application. However, the information must be provided to OPM or the LFCC upon request. Note that GAAP requires the use of the accrual method of accounting. No other basis of accounting is acceptable under GAAP. The cash basis, modified cash basis, modified accrual, and any other methods are not acceptable. **The LFCC will randomly select applicant charities and request the audit and part of their eligibility verification process.**

OR

- **Organizations with total revenue of less than \$100,000: the certifying official must certify that the organization has controls in place to ensure funds are properly accounted for and that it can provide accurate timely financial information to interested parties.** It is not required to submit financial documentation with the CFC application. However, the information must be provided to OPM or the LFCC upon request. **The LFCC will randomly select applicant charities and request the audit and part of their eligibility verification process.**

**Bona-fide chapters or local affiliates of a national organization** that are not separately incorporated whose pro forma IRS Form 990 reports revenues over \$250,000 and whose financial operations are covered by an audit of the national organization may submit the national organization's audited financial statements together with a certification from the national organization's Chief Executive Officer (CEO) or CEO equivalent stating that it operates as a bona-fide affiliate in good standing of the national organization and is covered by the national organization's 26 U.S.C. 501(c)(3) tax exemption, IRS Form 990 and audited financial statements. (See requirements under Item #2 for bona-fide chapters or local affiliates.)

**Bona-fide chapters of a national organization** that are not separately incorporated whose pro forma IRS Form 990 reports revenues of at least \$100,000 but less than \$250,000 and whose financial operations are covered by an audit of the national organization may certify it has an audit of its fiscal operations completed annually if it, at the time of the certification, is in good standing of the national organization and is covered by the national organization's 26 U.S.C. 501(c)(3) tax exemption, IRS Form 990 and audited financial statements. This organization is not required to submit with its application the national organization's audited

financial statements or CEO statement evidencing proof of good standing and coverage by the national organization's documentation. However, it must be able to supply this documentation to the LFCC or OPM upon request. (See requirements under Item #2 for bona-fide chapters or local affiliates.)

Item 6 Check the one appropriate box. **Sign and include as Attachment D a copy of the complete, signed IRS Form 990 for a period ended not more than 18 months prior to January 2010.** The IRS Form 990 must include a signature in the block marked "Signature of officer"; the preparer's signature alone is not sufficient. Organizations that file the IRS Form 990 electronically may submit a signed copy of the IRS Form 8879-EO or IRS Form 8453-EO in lieu of a signature on the IRS Form 990.

A complete IRS Form 990 is required, including all supplemental statements and Schedule A, if applicable, to be eligible for the CFC. If the Internal Revenue Service does not require the organization to file the Form 990 it must complete and submit a pro forma IRS Form 990 (see instructions below). **IRS Forms 990EZ, 990PF, and comparable forms will not be accepted.** However, smaller organizations that file Form 990EZ may submit it with the appropriate pro forma pages as described below depending on whether or not it is a 2007 or 2008 IRS Form 990 attached in lieu of a complete IRS Form 990.

**Pro forma IRS Form 990 Instructions** – The IRS Form 990 can be downloaded from the IRS website ([www.irs.gov](http://www.irs.gov)). If the fiscal period ended before December 31, 2008, the applicant must use the 2007 IRS Form 990 and complete page 1 and Part V for CFC purposes.

If the fiscal period ended on or after December 31, 2008, the applicant must use the 2008 IRS Form 990 (or more recent year, if available). The following sections must be completed: page 1 (Part I, Summary and Part II, Signature Block), page 7 and 8 (Part VII, Compensation sections A and B); page 9 (Part VIII, Statement of Revenues), page 10 (Part IX, Statement of Functional Expenses), and page 11 (Part XI, Financial Statements and Report).

The audited financial statements and IRS Form 990 must be prepared using the accrual method of accounting and cover the same fiscal period ended not more than 18 months prior to January 2010 (i.e. ending on or after June 30, 2008).

Item 7 **Signature Required - Calculate and enter the organization's annual percentage for administrative and fundraising expenses.** This percentage is computed from the IRS Form 990 submitted with this application. Depending on which year's IRS Form 990 is submitted, the percentage will be calculated based on information contained on the:

(A) **2007** IRS Form 990 by adding the amount spent on "management and general" (line 14) to "fundraising" (line 15) and dividing the resulting total by "total revenue" (line 12);

-OR-

(B) **2008 (or more recent)** IRS Form 990 by adding the amount in Part IX (Statement of Functional Expenses), Line 25, Column C (Management and General Expenses) to the amount in Line 25, Column D (Fundraising Expenses), and dividing the sum by Part VIII (Statement of Revenue), Line 12, Column A (Total Revenue).

No other methods may be used to calculate this percentage. All percentages must be listed to the tenth of a percent (e.g. 15.7%).

Item 8 Self-explanatory - Signature Required

Item 12 **Signature Required** - Each federation and independent organization applying to participate in the CFC must, as a condition of participation, certify that it is in compliance with all statutes, Executive Orders, and regulations restricting or prohibiting U.S. persons from engaging in transactions and dealings with countries,

entities, and individuals subject to economic sanctions administered by the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC). The programs administered by OFAC restrict or prohibit U.S. persons from engaging in transactions and dealings with targeted countries, entities, and individuals. OFAC publishes a list of Specially Designated Nationals and Blocked Persons (SDN List). The persons on the SDN List are subject to economic sanctions. The SDN List and additional information relating to the economic sanctions programs that OFAC administers are available at <http://www.treas.gov/ofac>. A link to the SDN List is available on the CFC website ([www.opm.gov/cfc](http://www.opm.gov/cfc)). For further information, please see CFC Memo 2005-13.

Item 13

All organizations must include their IRS Employee Identification Number (EIN) regardless of whether or not they are operating under a "dba" ("doing business as"). The organization must also include a telephone number that can be reached from any location in the U.S. and the organization's administrative and fundraising rate. An Internet address where information on the organization can be obtained may be included and will not count toward the 25 words. OPM will not be responsible for incorrect Internet addresses. E-mail addresses are not accepted.
