APPLICATION PROCESS

All applications must be submitted electronically, online through the Environmental eGrants System available at <https://www.grants.dcnr.state.pa.us/index.aspx>. DCNR piloted this system last year with great success, and this year has eliminated the traditional published paper manual and grant application forms. All applications must be submitted electronically; **no paper applications will be accepted**. Applications may not be submitted via fax or e-mail; if so-submitted, they will be rejected as not-submitted. All of the necessary information, plus additional program policies and application instructions, are available online both from within the online, electronic Environmental eGrants System and from the Community Conservation Partnerships Program webpage. For assistance with the Environmental eGrants

System, call the DCNR Grants Customer Service Center at 1-800-326-7734 or email us at DCNR-Grants@state.pa.us.
