DCNR C2P2 Snowmobile/ATV

Description: Snowmobile/All Terrain Vehicle grants are awarded to assist with the planning, acquisition, construction, renovation and maintenance of areas and facilities for snowmobile and all terrain vehicle (ATV) use, the purchase or lease of equipment for construction and maintenance for such work and development of educational materials and programs.

Special Requirements and Conditions

Eligible development projects on lands NOT owned by the Commonwealth – Funding assistance is available to municipalities, profit and nonprofit organizations for the construction, rehabilitation, and maintenance of snowmobile and ATV trails.

Eligible development on lands owned by the Commonwealth – Funding assistance is available only to profit and non-profit organizations (not municipalities), for rehabilitation and maintenance (not construction) of existing snowmobile and/or ATV trails on property owned by the Commonwealth (e.g. State Parks, State Forests). Evidence of project approval by the Commonwealth Agency controlling the lands to be impacted by the project must be submitted with the grant application.

Funding assistance, for all but acquisition project, is an 80% Commonwealth/20% grantee matching ratio while the ration for acquisition is %0/50.

Purchase and lease of trail construction and maintenance equipment.

Ownership/Control – For projects proposed on land not owned by the applicant, provide a letter of permission from the land owner/manager to do the anticipated work.

A special set-aside of approximately one third of the annual grant funds will be targeted for county, multi-county and regional authority projects. If the demand is not received for these types of projects, the balance of the set-aside may be used to fund other snowmobile and ATV applications.
