Re: Midland Borough (Beaver County)
Ohio River Trail - North Shore Trail Feasibility Study
Planning, Education and Technical Assistance

Dear Mrs. Kemp:

On behalf of Governor Edward G. Rendell, I am writing to congratulate you on a grant award in the amount of \$29,000 from the Community Conservation Partnerships Program administered by the Department of Conservation and Natural Resources (DCNR). Funding for these types of projects comes from the Keystone Recreation, Park and Conservation Fund (Key 93), the Environmental Stewardship Fund (Growing Greener 1), the Growing Greener Bond Fund (Growing Greener 2), and several federal funding sources.

One of this Administration's highest priorities is building community conservation partnerships with local governments, businesses, and nonprofit organizations to protect critical natural areas and open space; develop greenways and trails; provide quality park, recreation and conservation opportunities; and to improve the quality of life in Pennsylvania's communities.

Your DCNR grant award is a recognition of outstanding recreation and conservation work that should be shared with your community. To assist you, we have enclosed a Grantee Communications Kit. Our staff will be in contact with your project coordinator to finalize the grant agreement and to provide additional information on our grant procedures.

I wish you much success in implementing this project, which will contribute to the quality of life for many Commonwealth citizens. If you have any questions, please contact our Bureau of Recreation and Conservation at 717-787-7672, or e-mail us at DCNR-Grants@state.pa.us for assistance.

Sincerely,

John Quigley
Secretary
