Dear Vince,

The Borough of Monaca along with our community partners; the City of Aliquippa, Borough of Coraopolis, Borough of Midland, and the Ohio River Trail Council (ORTC) would like to cordially invite you or representatives of your organization to our U.S EPA Area-Wide Planning Assistance Grant kick-off meeting.

Where: Monaca Borough Building, 928 Pennsylvania Avenue – 2nd Floor

When: Tuesday, May 24th, 2011

Time: 2:00 p.m. to 4:00 p.m.

We would like to discuss our recent grant award of \$150,000.00 for the U.S. EPA Area-Wide Brownfields Planning Assistance Grant. The Borough of Monaca and our partners are 1 of 23 recipients in the US, and the only recipient in Pennsylvania to be awarded funding for this U.S. EPA Area-Wide Brownfield Pilot Planning Project. We recently have contracted with the Professional Consulting firm of Stromberg/Garrigan & Associates, Inc. whom they have partnered with Civil & Environmental Consultants, Inc., Environmental Resources and Consulting, LLC, and The Ferguson Group to provide the services of the grant work plan.

As community leaders, or stakeholders of properties in these respective municipalities your comments and feedback for this planning project are very important to the success of this project. We are respectfully asking for your attendance so that you can be an integral part of future vision of these Brownfield sites. We truly believe that this grant opportunity is the beginning of reshaping our Area-Wide Brownfields into locations that will provide for greater economic and sustainable values for our region. Collectively, with everyone's input we are optimistic that the visions laid out in this grant planning document will become a reality.

If you have any additional question please feel to contact me at: manager@monacapa.net. Also, additional information on the grant can be found at www.monacapa.net.

Looking forward to your attendance!

Sincerely,

Mario N. Leone Jr.

Project Administrator
