Re: MCA-TV video footage

Dr. Troia:

I have reviewed your request to use MCA-TV footage on YouTube as part of a grant application. With proper crediting to MCA-TV, please consider this letter permission to use, and upload to YouTube, the Ohio River Trail segment from the May 2010 edition of Moon Township Government Review.

As part of this approval, we require a credit line be added that recognizes Moon Community Access Television as the producer of this footage. Also, please note that MCA-TV prohibits any editing that changes content in its programming.

Sincerely,

James Koepfinger
Executive Director, Moon Community Access Television
