

BICYCLE FRIENDLY COMMUNITY

SPRING 2015 APPLICATION

For review only. Only applications submitted online will be considered for designation.

APPLICATION TIPS

The application will be referring to your type of jurisdiction as “community” throughout the application due to the great variety of types of jurisdictions applying, which does not include bicycle amenities, services and other resources outside your boundaries.

The word limits for open ended questions are just guidelines as the system is actually using a character limit. Ensure that your entered text does not get cut off, even if you stay within the word limit.

Ensure to log out using the Log Out button. Closing the browser will not log you out completely and will trigger a warning that another user is logged in next time you sign in. If this occurs, and you are certain that no other user is logged in at the same time, you can just disregard the warning and it will disappear within 24 hours.

If you would like to share any documents such as a bike plan or a bike map with the reviewers, please include a link to the file either under the relevant question or in the last question of each section if there is not enough space. We recommend using a service such as TinyURL (tinyurl.com/) to shorten any long links.

Please invite cyclists in your community to become local reviewers for your application. Interested cyclists can sign up at bikeleague.org/content/become-local-reviewer. The deadline to sign up is February 16, 2015 midnight Eastern.
