Re: TODS/Wayfinding Signing Program

Dear Mr. Troia:

Thank you for the interest you have expressed in Wayfinding Signs and/or Tourist Oriented Directional Signs (TODS) in Pennsylvania. To provide a more affordable program, it was recently determined by PennDOT and the Pennsylvania Tourism Signing Trust that a new TODS Program will be administered in lieu of wayfinding. The Trust will administer the TODS Program on behalf of PennDOT and we expect to begin processing applications within the next two weeks. To this end, the following documents are enclosed for your information and use:

- TODS Program Guidelines
- TODS Program Fee Structure
- TODS Program Application Form

All questions and applications should be directed to:

**Loisrae Graybill
PA Tourism Signing Trust
PO Box 4830, Harrisburg PA 17111-4830
Telephone 877-272-1332 or lgraybill@palogo.org**

Please review the Guidelines and self-determine your business' eligibility prior to submitting the \$75 non-refundable application fee.

We appreciate your patience as we implement the new TODS Program. We are confident that the TODS Program will succeed in its mission to assist travelers in reaching Pennsylvania's tourism destinations.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jack L. Hildebrand".

TODS PROGRAM FEE STRUCTURE

2011 / 2012

Initial Cost of a TODS Sign

Rural location (standard sign)	72" wide x 24" high	\$800.00
Urban location (or restricted right-of-way)	48" wide x 16" high	\$650.00

Note: Sign sizes are determined by PA Tourism Signing Trust in accordance with PennDOT design criteria applicable to the specific location.

Future Costs Associated with a TODS Sign

Business Participant is responsible for the costs associated with the repair and/or replacement of a TODS sign. Upon learning that a TODS is in need of repair or replacement, the PA Tourism Signing Trust will perform the necessary work and will invoice the Business Participant for those exact costs, up to a maximum of the cost of a new sign according to the fee structure in-place at that time.

This means that there is no annual fee associated with the TODS Program, and there would be no additional cost to the Business Participant until the sign is in need of repair or replacement.

Application for TODS

There is a \$75.00 non-refundable Application Fee.
Please submit the Application Fee along with the Application.

PENNSYLVANIA TOURISM SIGNING TRUST
PO Box 4830
HARRISBURG PA 17111

This Application expires 60 days from the date of issuance of the
Trust's written decision on the application.

END OF TODS PARTICIPANT APPLICATION

How to Apply for TODS

- Step 1: Review the TODS Guidelines to see if your type of business is allowed to be signed – see the Section on pages 4 - 9 entitled “Eligible Types of Participants”. If your business fits one of the types of participants listed, go to Step 2.
- Step 2: Self-screen your business against the eligibility criteria listed for your type of business in “Eligible Types of Participants” on pages 4 – 9, as well as the “General Eligibility Requirements” listed on pages 2 - 4. If your business fits the eligibility criteria, go to Step 3.
- Step 3: Review the Fee Structure and fee amounts for the TODS Program. There is a non-refundable application fee which does not count toward the participation fee, and for each TODS there is a one-time participation fee. Repair or replacement costs of damaged TODS are the responsibility of the participant. Before going any further you may decide to view the “form” of contractual agreement on the Trust website www.palogo.org or by requesting a copy from the Trust office (877-272-1332). If you wish to proceed with applying for and participating in the TODS Program, go to Step 4.
- Step 4: Determine specific intersections where you desire TODS – must be within 5 miles of your business. Prepare a hand-drawn map or sketch of these locations. (Note – Final sign locations are determined by the Trust based on engineering and traffic data, and the Guidelines, in accordance with PennDOT requirements) Check with each local municipality where your TODS are to be located as to whether TODS are permitted (see additional instructions in Step 6). If TODS are permitted by the local authorities, go to Step 5.
- Step 5: Obtain the deed citation (Book and Page numbers, or Instrument number, etc.) and the property Owner name for the real estate upon which your business is located – this information is available in the County Recorder of Deeds office. Go to Step 6.
- Step 6: Fill out the “Application for TODS” form in its entirety:
Section 1 – Familiarize yourself with the Definitions of Owner and Tradename, to correctly fill in the required information.
Section 2 – the Business Owner’s information.
Section 3 – the Business Location information.
Section 4 – Compliance information and certification;
Notarization of applicant’s signature is required;
Municipal approvals are required.
- Step 7: Remit payment of the \$75 Application Fee to the Trust and submit your fully executed application along with maps or sketches.

TODS FREQUENTLY ASKED QUESTIONS

Q. What types of businesses are eligible to participate?

A. There are specific criteria which each type of business must meet to participate in the TODS Program. Refer to the Guidelines to help you determine if your business qualifies.

Q. How will it be determined what businesses have priority if more businesses want to participate than can be accommodated?

A. Priority will be determined by the dates of applications.

Q. Where can my business be signed?

A. Eligible businesses may be signed from the nearest Conventional Road with an average of at least 2,000 vehicles per day. The maximum travel distance that a business may be situated from the intersection of such a road is 5 miles.

Q. May my business be signed along an Interstate Highway or Freeway?

A. TODS are not approved along Interstate Highways and other Freeways; however, your business may qualify for logo signs along Interstate Highways and other Freeways through the Pennsylvania Logo Signing Program (see www.palogo.org for more information).

Q. How big are the TODS signs?

A. The standard size TODS sign is 72" wide x 24" high and is typically used for rural locations. A smaller size TODS sign for urban locations and other locations with limited right-of-way is 48" wide x 16" high.

Q. How much will it cost to participate in the TODS Program?

A. One standard size TODS sign costs \$800, and one smaller size TODS sign costs \$650. These are one-time costs to the participant for the useful life of each sign (in addition to the application fee; see also the maintenance cost responsibilities discussed below).

Q. How will the TODS sign be maintained?

A. The Administrator for the Trust is responsible to perform maintenance on the signs, however the business participant is responsible for the cost incurred to repair, reset or replace the signs, up to a maximum of the cost of a new sign.
