Dear Ms. Gordon:

As the mayor of Ohioville Pa, I am in full support of the acquisition of the property near the Little Beaver Creek that the Ohio River Trail Council is interested in purchasing. The Ohio River Trail Council, Great Ohio Lake to River Greenway and other groups will be able to clean up this area and preserve it as a wild and scenic river. In addition, this hillside is a natural rookery for buzzards as they come back to Ohioville, Pa each year.

The utilization of the flood plain for conservation and recreation will be a wonderful asset for Beaver County, Pa.

Thank You,

John Szatkiewicz
