Subject: ORTC Future Sign - Rochester

Virginia,

Please pass on the attachment to-

Benjamin G. Rader, President
Borough of Rochester Council

This is a separate project.

Also would you be able to supply the emails of the council members?

Thanks,

Dr. Vincent Troia

About half the trees cut down in North America annually are used for making paper, and more than 90 percent of the printing and writing paper made in the U.S. is from virgin tree fiber. A typical office generates about 1.5 pounds of wastepaper per employee per day. According to the University of Colorado, every year enough paper is thrown away to make a 12-foot wall from New York to California.
