

The Ohio River Water Trail project was created by the Ohio River Trail Council, a non-profit, volunteer-led corporation that works to bring individuals, communities, businesses, educational institutions, recreational users and all levels of government together to promote and protect a continuous corridor of natural and cultural resources along the Ohio River and its tributaries.

Please help us to continue our work by becoming an affiliate and endorse our efforts by contributing to one of our projects. Call us at 724-728-2625 or visit us online at www.ohiorivertrail.org to learn more about our organization
