

MONTOUR TRAIL COUNCIL HEADQUARTERS • 304 HICKMAN STREET • SUITE 3 • BRIDGEVILLE, PA 15017

March 30, 2013

Mr. Raymond McCutcheon
Borough Manager
Borough of Coraopolis
1012 Fifth Avenue
Coraopolis, PA 15108

Dear Ray,

Please consider the following as a letter of support for the Ohio River Trail Council's grant application for a DCNR Pennsylvania Recreational Trail Grant. It is our hope that funding would be granted to the Ohio River Trail Council for the realization of a 2.5 mile bicycle trail through Coraopolis. The trail would connect west of the Montour Trail at the proposed Montour Trail extension at Montour Street. The Montour Trail Council, Allegheny County Economic Development and Allegheny County Parks have been actively working on this extension of the Montour Trail to Montour Street.

The Montour Trail Council has been building trail for over twenty years and can offer first hand testimony on the significance of grant monies to accomplish our objective. The Ohio River Trail Council has worked hard to establish strong community support, educate the public and address concerns of the residents in the twenty-seven (27) municipalities and townships along the proposed trail route. Funding request for this first portion of the trail would benefit Coraopolis and encourage other communities to recognize the recreational and economic benefits of a trail in their neighborhood.

The Montour Trail Council fully supports the Ohio River Trail Council's request for grant funding. We hope to continue to serve our trail users and welcome the addition of the Ohio River Trail.

Sincerely,

Phyllis McChesney
Montour Trail Council
Airport Area Friends of the Montour Trail, President
