Attn: Ray McCutcheon, Manager

Mr. McCutcheon,

As Representative of the 45th Legislative District, I am often called upon to endorse the efforts of municipalities in my district as they seek funding to complete very worthwhile projects.

I am particularly pleased to write this letter of recommendation for the Borough of Coraopolis as you seek a DCNR Community Conservation Partnership Grant of \$200,000.00. The intended use of this grant money, as outlined in the grant application itself, will enable a consultant to prepare engineering specifications and bid documents to begin the construction of 2.5 miles of what will be known as the Ohio River Trail through Coraopolis, Moon Township, and to Sewickley via the Sewickley Bridge.

This phase is just a part of the overall plan to develop a forty-one mile multi-use land and water trail system along the Ohio River and its tributaries, the Ohio River Trail.

Therefore, it is without reservation that I endorse your plans and goals in this worthy endeavor.

Sincerely,

A handwritten signature in cursive script, reading "Nick Kotik".
