Come out for a ride! This is part of a trail ride series sponsored by the Ohio River Trail Council (ORTC) intended to bring awareness to the wonderful trails in our 4-state region (Maryland, Ohio, Pennsylvania and West Virginia).

All riders are welcome for this free, rails-to-trails, moderate-paced ride!

The Butler-Freeport Community Trail is the corridor of the remarkably diverse Buffalo Creek Watershed in the southeast quadrant of Butler County. Starting in Laneville, the trail has Buffalo Creek as its companion for over 3 miles through the forest of the Buffalo Creek Gorge. The Trail then picks up Little Buffalo Creek as its companion for another 8 miles, crossing the creek seven times. Many of the smaller tributaries are reminiscent of mountain brooks, offering natural cooling on a hot day and the thrill of rushing, tumbling water in all seasons. Gradually as the trail meanders northward toward Butler, it travels from the woods of the Gorge to a broader forest valley with the trail securely passing between cliffs on one side and the Little Buffalo Creek on the other to more open woods and farmland.

For this ride...

We begin in Butler and we will ride approximately 10 miles up a 2.6% grade, mostly crushed limestone trail south along the Buffalo and Little Buffalo Creeks, and then 10 miles downhill to the city of Freeport. Riders will have the option of turning back at any point.

Points of Interest:

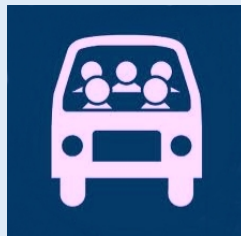

The Butler-Freeport Community Trail is a rail-trail, preserving the route of Butler County's first railroad (1871), the Western Pennsylvania Railroad that connected the City of Butler

to the Allegheny River port of Freeport. This former rail corridor travels along the tranquil Little Buffalo and Buffalo creeks, and through farmland, rural villages and woodlands. The Buffalo Creek Gorge is a spectacular view from the bridge on Route 28, one-mile north of the Sarver-Freeport exit. Additional points of interest are the gristmill in Lanesville, Todd Nature Reserve, and the Cooper Cabin Pioneer Homestead.

Do not forget your camera!

Carpooling:

We are glad to facilitate carpooling as well. Just RSVP or contact the ORTC at ortctrailride@ohiorivertrail.org. Carpooling meeting locations are either Beaver, Cranberry Twp., Moon Twp., or Pittsburgh, Pa.

Weather & Cancellations:

The weather forecast is mostly sunny and 82 degrees. Please visit the [ORTC website](#) for cancellations before you depart for the trail. In addition, persons who RSVP will be sent an email regarding schedule changes. Ohio River Trail Council

The Ohio River Trail Council (ORTC) is a Pennsylvania based non-profit, volunteer-led corporation whose mission is to establish, promote, protect and preserve a multi-use trail, the Ohio River Trail (ORT), along the "La Belle Riviere" or the Ohio River and its tributaries.

The Ohio River Trail Council (ORTC) is currently planning & developing a 41-mile bike and water trail, the Ohio River Trail (ORT), along the Ohio River, from Coraopolis, Pa (near Pittsburgh) to Ohioville, Pa. (near East Liverpool, OH). The ORT is part of the *Rivers of Steel National Heritage Area*, *Lewis & Clark Trail* and is a candidate for part of the *U.S. Bicycle Route 50, Pittsburgh to Cleveland Trail*, and a portion of the *Underground Railroad Bicycle Route, Pittsburgh spur*. The proposed ORT will also follow parts of the "Great Path" and the *Lincoln Highway*. The ORT will serve as a key segment in the interconnection of existing land trails in the quad-state area (Maryland, Ohio, Pennsylvania and West Virginia). Specifically, the proposed Ohio River Trail will connect the *Great Ohio Lake-to-River Greenway* in Columbiana County, Ohio to the *Great Allegheny Passage* in Allegheny, County Pennsylvania forming a mega-trail from the great lakes region to our nation's capitol.
