Come out for a ride!

This is part of a trail ride series sponsored by the Ohio River Trail Council (ORTC) intended to bring awareness to the wonderful trails in our 4-state region (Maryland, Ohio, Pennsylvania and West Virginia).

All riders are welcome for this rails-to-trails, moderate-paced ride!

Join us, as we visit the Stavich Trail. The ride begins outside of New Castle in Coverts, PA through the town of Lowellville to Struthers, Ohio and then returns to Coverts, PA. Following along the former Youngstown-New Castle streetcar line, the trail takes riders through wooded countryside and over gentle hills, providing scenic views of the Mahoning River. In addition, for those who enjoy a longer ride, there is an additional 10+ mile road ride to Youngstown, Ohio.

Features and Points of Interest:

The Stavich Trail was constructed in 1983 with the help of donations from the Stavich Family and local individuals. The trail is built on an interurban electric railroad right-of-way: the Penn–Ohio trolley line, which fell into disuse in 1933. The trail parallels the CSX active rail line; however, the two grades are very different. The CSX tracks remain on relatively flat terrain while the bike trail ascends and descends during its entire length.

In the spring, there is an abundance of wildflowers to the trail's edge, along with yellow

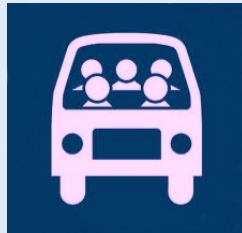

dogwood. The trail also boasts a wonderful *Beaver Pond*, which is excellent bird-watching territory.

The Stavich Trail was designated a National Recreation Trail in 2003.

Do not forget your camera!

Carpooling:

We are glad to facilitate carpooling as well. Just RSVP or contact the ORTC at ortctrailride@ohiorivertrail.org. Carpooling meeting locations are either Beaver, Cranberry Twp., Moon Twp., or Pittsburgh, Pa.

The weather forecast is mostly sunny and 82 degrees. Please visit the [ORTC website](#) for cancellations before you depart for the trail. In addition, persons who RSVP will be sent an email regarding schedule changes. Ohio River Trail Council:

The Ohio River Trail Council (ORTC) is a Pennsylvania based non-profit, volunteer-led corporation whose mission is to establish, promote, protect and preserve a multi-use trail, the Ohio River Trail (ORT), along the "La Belle Riviere" or the Ohio River and its tributaries.

The Ohio River Trail Council (ORTC) is currently planning & developing a 41-mile bike and water trail, the Ohio River Trail (ORT), along the Ohio River, from Coraopolis, Pa (near Pittsburgh) to Ohioville, Pa. (near East Liverpool, OH). The ORT is part of the *Rivers of Steel National Heritage Area*, *Lewis & Clark Trail* and is a candidate for part of the *U.S. Bicycle Route 50, Pittsburgh to Cleveland Trail*, and a portion of the *Underground Railroad Bicycle Route, Pittsburgh spur*. The proposed ORT will also follow parts of the "*Great Path*" and the *Lincoln Highway*. The ORT will serve as a key segment in the interconnection of existing land trails in the quad-state area (Maryland, Ohio, Pennsylvania and West Virginia). Specifically, the proposed Ohio River Trail will connect the *Great Ohio Lake-to-River Greenway* in Columbiana County, Ohio to the *Great Allegheny Passage* in Allegheny, County Pennsylvania forming a mega-trail from the great lakes region to our nation's capitol.
