All riders are welcome for this rails-to-trails moderate-paced ride! Come out for a ride! This is part of a trail ride series sponsored by the Ohio River Trail Council and the Western Pennsylvania Wheelman intended to bring awareness to the wonderful trails in our 4-state region. (Maryland, Ohio, Pennsylvania and West Virginia)

For this ride... We bike Pittsburgh's growing trail system. Starting at the Duquesne Incline we will ride in some form or fashion most of the trails within the city of Pittsburgh - along both the Allegheny & Monongahela Rivers. Ride will include the Ft. Pitt bridge, the North Shore, Washington's Landing, trail ending near Millvale, Convention Center & its new water feature, Pt. State Park, South Side, and more. We will finish up with food & beverages at the OTB (Over The Bar Bicycle Café) located at 2518 East Carson Street on Pittsburgh's South Side where we will discuss this year's ride schedule.

Features and Points of Interest: The trail ride includes a visit to the *Bicycle Heaven Museum* and bike shop located in the R.J. Casey Industrial Park (1800 Columbus & Preble Ave.) on Pittsburgh's North Side. The museum is dedicated to all things two-wheeled. The 1860's "Boneshakers" handcrafted wooden bikes can be seen along with the largest Schwinn Sting-Ray collection in the world including the ultimate 1960s pedal-driven dream, the Schwinn Sting-Ray Krate. The museum also displays the rare "Bowden Spacelanders" valued up to \$20,000. Only thirty-eight of these fiberglass Bowden Spacelanders are known to exist, nevertheless the museum owns thirteen! This will be more casual than most of our rides, with stops for riders to photograph the city's vistas. **Don't forget your camera!**

Weather: The weather in Pittsburgh, Pa for this Saturday at 1:00 pm is forecast to be sunny and 51 degrees. *Stay tuned for weather cancellations. We will post by 9pm Friday night.* Rides that are cancelled due to inclement weather are usually rescheduled for the next day or the following week. See below for a complete schedule of rides.

Ohio River Trail Council

The Ohio River Trail Council (ORTC) is currently planning & developing a 41-mile bike and water trail, the Ohio River Trail (ORT), along the Ohio River, from Coraopolis, Pa (near Pittsburgh) to Ohioville, Pa. (near East Liverpool, OH). The ORT is part of the *Rivers of Steel National Heritage Area*, *Lewis & Clark Trail* and is being considered for part of the *U.S Bicycle Route 50* and a portion of the *Underground Railroad Trail, Pittsburgh spur*. The proposed ORT will also follow parts of the "*Great Path*" and the *Lincoln Highway*. The ORT will serve as a key segment in the interconnection of existing land trails in the quad-state area (Maryland, Ohio, Pennsylvania and West Virginia). Specifically, the proposed Ohio River Trail will connect the *Great Ohio Lake-to-River Greenway* in Columbiana County, Ohio to the *Great Allegheny Passage* in Allegheny, County Pennsylvania forming a mega-trail from the great lakes region to our nation's capitol. The ORTC is an organization committed to excellence, with a clear vision and a passion for delivering outstanding results. We ask you to form an alliance with us to capitalize on our strengths in order to guarantee a bright future for our rivers, forests, and towns.
