Come out for a ride! This is part of a trail ride series sponsored by the Ohio River Trail Council (ORTC) intended to bring awareness to the wonderful trails in our 4-state region (Maryland, Ohio, Pennsylvania and West Virginia).

All riders are welcome for this rails-to-trails, moderate-paced ride!

The [Great Allegheny Passage](#) (GAP) is presently the longest rail-trail east of the Mississippi River and the crown jewel of the Mid-Atlantic Rail Trails. The GAP spans two states in its 150-mile course along scenic rivers and across mountain passes. The greenway when completed will connect with the 184.5-mile C&O Canal Towpath at Cumberland, Maryland to create a 334.5-mile route between Pittsburgh and Washington, DC. The Montour Branch will connect McKeesport to the Pittsburgh International Airport and Coraopolis, Pa. The proposed [Ohio River Trail](#) beginning at Coraopolis links the Montour Trail to the 110-mile *Great Ohio Lake-to-River Greenway* in Ohio forming approximately a 500 mile contiguous trail from the Great Lakes Region to our nation's capitol!

For this ride...

Join us as we visit the North [Youghiogheny River Trail](#) for a 28-mile round-trip ride from Boston (mile 128) to West Newton (mile 114). Beginning at Boston Trailhead, the trail follows the Youghiogheny (yaw-ki-GAY-nee) River, filled with anglers and whitewater kayakers, past dramatic rocky outcroppings and wooded, boulder-strewn banks.

Features of Interest:

The *Yough River Trail* is a non-motorized multi-use rail trail that stretches 71 miles (114 km) between McKeesport, PA and Confluence, PA. It is part of the [Great Allegheny Passage](#). The north section of the trail runs 43 miles (69 km) between McKeesport and Connellsville, PA, and the south section runs 28 miles (45 km) between Connellsville and Confluence. Some of the best scenery in Pennsylvania belongs to the shores of the Youghiogheny.

Don't forget your camera!

Carpooling:

We are glad to facilitate carpooling as well. Just RSVP or contact Nathan Peluso at ortctrailride@gmail.com. Carpooling meeting locations are either Beaver, Cranberry Twp., Moon Twp., or Pittsburgh, Pa.

Ohio River Trail Council

The Ohio River Trail Council (ORTC) is currently planning & developing a 41-mile bike and water trail, the Ohio River Trail (ORT), along the Ohio River, from Coraopolis, Pa (near Pittsburgh) to Ohioville, Pa. (near East Liverpool, OH). The ORT is part of the *Rivers of Steel National Heritage Area*, *Lewis & Clark Trail* and is a candidate for part of the *U.S. Bicycle Route 50*, *Pittsburgh to Cleveland Trail*, and a portion of the *Underground Railroad Bicycle Route*, *Pittsburgh spur*. The proposed ORT will also follow parts of the "Great Path" and the *Lincoln Highway*. The ORT will serve as a key segment in the interconnection of existing land trails in the quad-state area (Maryland, Ohio, Pennsylvania and West Virginia). Specifically, the proposed Ohio River Trail will connect the *Great Ohio Lake-to-River Greenway* in Columbiana County, Ohio to the *Great Allegheny Passage* in Allegheny, County Pennsylvania forming a mega-trail from the great lakes region to our nation's capitol.
