

OHIO TO ERIE TRAIL

Start: Xenia Station
End: Clark County Line
Length: 12.73 miles

The Ohio to Erie Trail passes quickly from the busy urban setting of the City of Xenia into the beautiful rural Greene County countryside. Connecting spurs at Sims Street and Bob Evans Park link the east side of Xenia and the Y.R.C. Baseball Complex.

The trail is 12' wide between Xenia Station and Wilberforce-Switch Road where a 0.9 mile spur connects to Central State, Wilberforce University and the National Afro-American Museum.

From there, the 10' ribbon of pavement winds gently through area farm fields and crosses a magnificent wooded gorge with limestone cliffs and mature hardwood forest. This portion of the trail connects one park in Xenia and two parks in Cedarville as part of the 353 mile Ohio to Erie Trail connecting Cincinnati, Columbus, and Xenia.

The trail currently extends through South Charleston, where it is known as the Prairie Grass Trail, to 6.5 miles east of London. The distance from Xenia Station is 37.5 miles.
