Reference is made to correspondence sent July 18, 2014, which provided documentation for the selection of 3 firms (Michael Baker Jr., Inc., Lennon, Smith, Souleret Engineering, Inc., and Mackin Engineering Company) to be short listed for the Ohio River Trail South Shore Phase I project located in Borough of Coraopolis, Allegheny County.

The documentation indicates that proper selection procedures were followed for large project selection procedures, therefore the requirements of Pub. 93 are satisfied.

Once the selection process has been completed, please submit for approval of the selected engineering firm.
