Bridge project closes Moffett Mill Road

Crews from Mekis Construction Corp. started the \$1.9 million bridge replacement project at the intersection with Moffett Mill.

During the work, traffic on Moffett Mill will not be able to continue northbound to Raccoon Creek Road, although the road will remain open for emergency vehicles and local residents.

About 914 vehicles per day will be forced to detour on Holt Road, Route 18 and Raccoon Creek Road.

The Moffett Run Bridge, which crosses Raccoon Creek, was closed after PennDOT inspection crews identified deterioration on the bridge trusses. The detour for the bridge is I-376, Route 18 and Raccoon Creek Road. About 312 vehicles use Moffett Run Road on an average day.

Moffett Mill will reopen in December. The bridge will open in midspring 2012.
