Dr. Vincent Troia
Ohio River Trail Council
1100 Pennsylvania Avenue
Monaca, PA 15061

Dear Dr. Troia:

Congratulations on recently receiving a second year of technical assistance from the National Park Service (NPS) Rivers Trails and Conservation Assistance Program, to continue the creation of the Ohio River Trail by developing and overseeing the coordination of this multi-state initiative.

Securing federal resources is a highly competitive and selective process. Your hard work in preparing the application materials is certainly a testament to your dedication and perseverance. I commend you on this well-earned achievement and for your commitment to our community.

If I can assist with any additional NPS programs or other federal opportunities, please contact Jennifer Kraus in my office at (724) 226-1304 or Altmire.grants@mail.house.gov.

Sincerely,

A handwritten signature in black ink that reads "Jason Altmire".
